OPERATING SCOPE

New Jersey and Eastern Pennsylvania field focus, including the Philadelphia-Trenton corridor. Nationwide capacity applies to logistics coordination and project support. Physical transportation services are accepted only when authority, insurance and contract requirements are confirmed.

Notice: NOMYX provides logistics coordination, contract support and courier service support. NOMYX does not represent that it owns trucks, aircraft or warehouses, employs drivers, or holds interstate motor carrier authority, airport security clearance, bonding or contract specific insurance. Requirements are confirmed in writing before execution. Procurement system participation indicates vendor access and does not represent a contract award. Issued September 2026.
